SUMMER J CAMP 2025

PRE-KINDERGARTEN TO HIGH SCHOOL

KIDS

Splashing in the pool, art, science, drama, music, and sports—kids explore a variety of activities, form new friendships, and create lasting memories.

As kids grow, J Camp grows with them!

From our youngest campers to our counselors in training, we've got opportunities for kids to learn and flourish as they progress from their first camp experience to their first job.

WIDE VARIETY OF INTERESTS + SKILLS

Tumble, splash, engineer robots, code a mobile app, hike a mountain, paddle a canoe, dance on stage like an Oompa Loompa, design wearable fashions + jewelry, bake delicious desserts, hit the bullseye, and so much more.

J Camp kids dive into their passions and uncover new interests in a loving environment that encourages exploration + self-discovery.

DISCOUNTS + TUITION ASSISTANCE

Register by Wednesday, February 26, 2025 + save 10%.

Need-based tuition assistance is available, based on a family's ability to pay.

Save 10% when you register for four or more weeks of Katan or Kef.

Families new to the J are eligible for a \$100 welcome gift on a minimum registration of three weeks.
